How to Get BUY-IN for New Ideas *It's all in how it's presented!*

Thursday, October 15, 2009

- Learn how to remove barriers between new ideas and people who naturally resist change.
- Identify at least five common mistakes many of us make.
- Learn a new strategy to gain the sponsorship you need to lead innovation and change in your organization.
- Identify ten foundational tactics of innovation principles and supporting action steps to engage the right sponsors.
